LEGO CLUB

WHAT IS LEGO CLUB?

Dear parents/guardians

Lego Club is a club designed to link like minded kids to come together to create, interact and enjoy playing with Lego. The kids have are provided with a variety of Lego that they can use to build their creations. We encourage the kids to use there imagination, create and learn together. This isn't a teaching or tutoring activity, it is for children that are truly passionate about their Lego making.

The club is open to children aged 5 years and older and will be run by the trainee at the CRC in the cornerstone building. All staff that will look after your children have a working with children. Once you have filled out this application form, we will let you know if we have room for your child, otherwise you can join the waitlist for the next available spot. We have 2 sessions during the week, Tuesday and Thursday. We would like to take your preferred day into account however we may not have room for your child straight away.

We understand that sometimes life gets very busy, so if your child is unable to make it please let us know so we are not waiting for there arrival. If your child is no longer able to attend please let us know so we can offer the spot to another child waiting.

We do have rules to make sure everyone is treated equally with respect and they feel valued during Lego club. Please complete and return this form to the CRC staff and feel free to contact us if you have any questions.

ABOUT JUNIOR BOOK CLUB

There's a few rules that we need you to read and try to remember so everyone feels respected and valued.

- Listen to when the supervisor is speaking, be good listeners
- Sharing is caring, the Lego is for everyone to share
- Be respectful of what your friends say and build
- If you want it you ask, if they say no that's okay
- Ask questions, you will never know until you ask someone
- if you would like to go to the toilet or get a drink you need to ask first
- The supervisor is in charge, what they say goes,
  and most importantly have fun!
